ANNEXURE - V

REPORT ON CORPORATE GOVERNANCE

A report for the financial year ended 31st March, 2026 on compliance by the Company with the Corporate Governance requirements under the Securities and exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') is furnished below:

Company's Philosophy on Code of Governance:

Corporate Governance is a combination of voluntary practices and compliance with laws and regulations leading to effective control and better management of the organization. Corporate Governance leads to enhanced long term stakeholder value and enhances interest of all stakeholders. It brings into focus the fiduciary and trusteeship role of the Board to align and direct the action of the organization towards creating wealth and stakeholder value.

The company continuously endeavors to improve on the transparency with integrity in all its dealings with its stakeholders including shareholders, employees, lenders and others. Through the Governance mechanism in the Company, the Board along with its Committees undertakes its fiduciary responsibilities to all its stakeholders by ensuring transparency, fair play and independence in its decision making.

The Company has adopted the Code of Conduct for its employees, including the Managing and Executive Directors, which encompasses an appropriate mechanism to report any concern pertaining to non-adherence to the said Code. In addition, the Company has adopted a Code of Conduct for its Non-Executive Directors which includes a Code of Conduct for Independent Directors, suitably incorporating therein the duties of independent directors as laid down in the Companies Act, 2013 ('Act').

The Management, on a quarterly basis presents before the Board of Directors a status report on regulatory compliances, as applicable to the Company.

The Company has been practicing corporate governance to ensure transparency in its corporate affairs. The philosophy of the Company is aimed at conducting business ethically, efficiently and in transparent manner. The company strives to maintain overall integrity of the accounting and financial reporting system.

Code of Conduct:

In tune with the corporate philosophy stated in the preceding para, the Board of Directors of the Company had laid down a Code of Conduct for all the Board Members and Senior Management Personnel of the Company in terms of listing requirements for corporate governance. The Code of Conduct is displayed at the Company's website www.3pland.com. Affirmation regarding compliance with the Code of Conduct had been obtained from all Board members and senior management personnel of the Company. As required, a declaration duly signed by the Executive Director to the effect is appended.

MANAGEMENT DISCUSSION AND ANALYSIS

The Company's revenue by way of earnings from interest and dividend constitutes nearly 60% of its total revenue which is essential for the Company to continue to maintain its classification as Core Investment Company under the Core Investment Companies (Reserve Bank) Directions 2016. These directions stipulate that atleast 90% of Company's net assets' need to comprise of financial investment including lending within the Group Companies alone. The Company is in compliance with such and other stipulations. The rental income represents income from lease of real estate (land and buildings) at Pune granted to Pudumjee Paper Products Ltd., a related party, under a Leave & License Agreement renewed from 1st February 2026 for a period of five years.

The profit after tax is about 46% of its total income. However, the other comprehensive income is negative in view of fall in market price of shares held in Pudumjee Paper Products Ltd, compared to last year. Income from these shares were recognized in earlier years in view of the then rise in market price of these shares.

The Government's contention has been that the land at Pune continues to be subject to applicability of repealed Urban Land Ceiling Act 1976 which matter is pending before the Government authorities pursuant to the directions of Hon'ble High Court of Bombay.

The Company's land of about 16 acres at Village Khairy, Tehsil Kareli, Narsinghpur, Madhya Pradesh which is lying vacant, is within the vicinity of rapidly growing urbanization. This land is awaiting finalization of the Narsinghpur Development Plan after which it is proposed to be developed.

The Company continues to be debt free and incurs certain necessary expenditure in addition to the expenses on employees' benefit and depreciation on 'investment properties'. Segment-wise financial performance is given in the Company's consolidated Accounts.

The existing controls of the Company are commensurate with the nature of the business and are always subjected to periodical review by Auditors and Audit Committee and are considered appropriate and adequate to the size of its operation.

Sr. No.	Ratios	31 st March, 2026	31 st March, 2025	Reason for Change
1	Debtors Turnover	NA	NA	-
2	Inventory Turnover	NA	NA	-
3	Interest Coverage Ratio	NA	NA	-
4	Debt Equity Ratio	NA	NA	-
5	Current Ratio	7.16	10.50	Decrease in current ratio is mainly due to increase in employee benefit obligation.
	Operating profit Margin	62.30%	61.58%	The reason for increase in operating profit margin is - Revenue from operation increased by 4.46% mainly due to increase in rental income and interest income and operating expenses are increased by only 1.74% due to increase in employee benefit expenses and depreciation expenses.
6	Net Profit Margin (%)	46.62%	46.73%	Slightly decrease in ratios is because of increase in tax.
7	Return on Net Worth (%)	4.87%	4.92%	Slightly decrease in ratios is because of increase in tax.

**PRACTISING COMPANY SECRETARIES' CERTIFICATE
ON CORPORATE GOVERNANCE**

To The Members of
3P Land Holdings Limited

We have examined the compliance of the conditions of Corporate Governance by 3P LAND HOLDINGS LIMITED ('the Company') for the year ended on March 31, 2026, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the extent of information provided by the Company and according to the explanations given to us and the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2026.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To
The Members Of
3P Land Holdings Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of 3P Land Holdings Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1. Investments in associate company – classification, measurement and impairment During the year, the Company has given additional loan of ₹ 223.00 lakhs to Biodegradable Products India Limited (the "associate company"), and the total loan outstanding to the associate company as on March 31, 2026 is ₹ 2198.71 lakhs. The loan is measured at amortised cost using effective interest rate based on management's estimate. Management has evaluated and concluded that such loan is not long-term interests that, in substance, form part of the Company's net investment in the associate company. Based on the valuation report of the valuation specialist engaged by the management, and based on management estimate, no impairment considered necessary for the investments made in associate company. Refer note 3(c) and note 23(a) of the standalone financial statements.	Our procedure included, but were not limited to the following: - We considered the business model and terms of the financial instrument considering rights and obligation of the issuer and the holder including terms of cash flow. - We have considered the classification of these instruments being followed by the issuer (i.e. the associate company) - Obtained independent valuation report containing valuation of assets of the associate company. Assessed the professional competence, objectivity and capabilities of the valuation specialist engaged by the management. Assessed reasonableness of the assumptions used and future business plans of the business of the associate company's management. - We have considered the managements representation regarding obtaining future planned repayment of the loan given. - We evaluated the reasonableness of disclosures provided in the standalone financial statements.

INDEPENDENT AUDITOR'S REPORT

Other Information

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report but does not include the standalone financial statements and our auditor's report thereon.

The Annual Report is expected to be made available to us after the date of our auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, the profit and total comprehensive income, changes in equity and its cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant

doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The standalone financial statements disclose the impact of pending litigations on the Company.
- ii. The Company did not have any long-term contracts including derivative contracts as at March 31, 2026.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not proposed or paid any dividend in the current year ended March 31, 2026.

- ii. (a) The Company does not have any inventory. Hence reporting under clause 3(ii)(a) of the Order is not applicable.
- (b) The company has not been sanctioned working capital limits in excess of five crore rupees in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has made investments in, provided guarantee to and granted unsecured loans to companies, during the year. The Company has not granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
 - (a) During the year, the Company has provided loans to other companies, in respect of which –
 - (A) with respect to unsecured loans to associate the aggregate amount of the loan given during the year is Rs. 223.00 lakhs and the balance outstanding at the balance sheet date is Rs. 2198.71 lakhs.
 - (B) The company has not granted loans during the year to parties other than associates. Hence reporting under clause 3(iii)(a)(B) of the Order is not applicable.
 - (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) In respect of unsecured loans granted during the year by the Company, schedule for repayment of loan and payment of interest is stipulated and interest payment is regular. Since the principle amount of loan has not fallen due during the year we cannot comment on regularity of repayment of the loan.
 - (d) In respect of loans granted by the Company during the year, there is no overdue amount remaining outstanding as at the balance sheet date.
 - (e) During the year, no loan granted by the Company, which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
 - (f) The Company has not granted loans repayable on demand. No loan is granted to Promoters. Aggregate amount of loans granted to related parties as defined in clause (76) of section 2 of the Companies Act, 2013 is Rs. 1,972.29 lakhs.

- iv. The Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided, as applicable.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.

- vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and service tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities.
- (b) There are no dues of goods and service tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, service tax, cess which have not been deposited on account of any dispute. The particulars of dues of sales tax as at March 31, 2026, which have not been deposited on account of a dispute, are as follows:

Sr. No.	Nature of dues	Amount (Rs. in lakhs)	Forum where the dispute is pending
1.	Sales tax	179.31	Hon. High Court, Madhya Pradesh

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company has not taken any loans or other borrowings from any lender and there are no outstanding loans at the beginning of the year. Hence reporting under clause 3(ix)(a), (c), (d) & (e) of the Order is not applicable.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- x. (a) The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) during the year. Hence, reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) No whistle blower complaints received by the Company during the year (and upto the date of this report). Hence reporting under clause 3(xi)(c) of the Order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him during the year. Accordingly, the provisions of section 192 of the Act are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable.
- (b) The company is an exempt Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. As on year ended March 31, 2026 the Company continuous to fulfil the criteria of an exempt CIC.
- (c) Including the Company, there are three CICs (Core Investment Company) within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016).

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. The provisions of section 135 of the Companies Act 2013 read with the Companies (Corporate Social Responsibility Policy) Rules 2014 are not applicable to the Company. Accordingly, reporting under clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable.

ANNEXTURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in the Independent Auditors' Report of even date to the members of 3P Land Holdings Limited on the standalone financial statements for the year ended March 31, 2026

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of 3P Land Holdings Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of

changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements as on and for the year ended 31st March, 2026

Note 1: General information about the Company:

3P Land Holdings Limited (the “Company”) is a public company domiciled in India. Its shares are listed on two stock exchanges in India. The registered office of the Company is located at Thergaon, Pune-411033, Maharashtra, India. The Company is primarily engaged in the business of lending of investment in group companies and real estate leasing.

The Standalone financial statements were authorised for issue in accordance with resolution passed by the Board of Directors of the Company on May 16, 2026.

Note 2: Summary of significant accounting policies:

a. Basis of preparation

The standalone financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act.

The Company, being an exempt Core Investment Company (CIC) under RBI regulations, has prepared financial statement in accordance with Division III of Schedule III of the Act, except for disclosure of following ratios – (i) Capital to risk-weighted assets ratio (CRAR), (ii) Tier I CRAR, (iii) Tier II CRAR and Liquidity Coverage Ratio. Typically, these ratios are required to be maintained by Banking companies and NBFC to comply with RBI regulations. However, the Company, being an exempt CIC, is not required to maintaining such capital to assets and liquidity ratios. Accordingly, disclosure of such ratios is not required.

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values as per Ind AS 109, at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either, in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

b. Presentation and Classification

The Company presents its balance sheet in the order of liquidity as per the presentation requirement of division III of schedule III of the Act.

The Company's normal operating cycle has been taken as 12 months.

c. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Notes to the Financial Statements as on and for the year ended 31st March, 2026

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment i.e. adjusted for discounts, incentive, time value of money and excluding taxes or duties collected on behalf of the government. No element of financing deemed present, as the sales are made with a credit term consistent with market practice. Further the Company charges interest to customers on delayed payment, if any.

Revenue from operating leases

Revenue from lease of real estate, arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends

Income from dividend on investments is accrued in the year in which it is declared, whereby the Company's right to receive is established.

Services

Income from services on supply of services for sales and marketing is accrued on a basis of services provided.

d. Other income

Profit from sale/transfer of assets is recognised only when the transfer is complete, i.e. when the transferee obtains control and legal title for the asset and when there is no uncertainty on the amount and timing of receipt of the sale consideration. The recording of profit from sale/transfer is postponed until then.

e. Trade receivables

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time.

f. Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. All other repair and maintenance costs are recognised in statement of profit or loss as incurred. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

The Company, based on technical assessment made by technical expert and management estimate, depreciates all the assets over estimated useful life which is also the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g. Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company for use in business, neither held for sale is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation (as applicable to building component) and accumulated impairment loss, if any.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

The Company, based on technical assessment made by technical expert and management estimate, depreciates the

Notes to the Financial Statements as on and for the year ended 31st March, 2026

building over estimated useful life, which is also the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by the management. The Company obtains valuation report at reasonable intervals from external valuers.

h. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly stated in the arrangement.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

i. Taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss of the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rate enacted or substantially enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets/liabilities are recognised for deductible/taxable temporary differences. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable Company and the same taxation authority.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

j. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

k. Provisions and Contingent liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed in the notes, if any. Contingent liabilities are disclosed for

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- ii. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Notes to the Financial Statements as on and for the year ended 31st March, 2026

I. Employee benefits

Short-term obligations

Short-term employee benefits are expensed as the related service is provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within one year after the end of the period in which the employees render the related service are the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long-term employee benefits obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months and accordingly amounts have been classified as current and non-current based on actuarial valuation report.

Post-employment obligations

The Company operates the following post-employment schemes:

- i. defined benefit plan – gratuity; and
- ii. defined contribution plans such as provident fund.

Defined benefit plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. If the fair value of plan assets exceeds the present value of the defined benefit obligation at the end of the balance sheet date, then excess is recognized as an asset to the extent that it will lead to, for example, a reduction in future contribution to plan asset.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

Retirement benefit in the form of provident fund and superannuation fund are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund and superannuation fund. The Company recognizes contribution payable to the provident fund and superannuation fund as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

m. Financial instruments

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value, except for investment in associates where the Company has availed option to recognise the same at cost in separate financial statements.

The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows. The Company classifies its financial assets in the following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortised cost, and
- iii. those measured at cost, in separate financial statements.

Subsequent measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. All other financial assets are measured at amortised cost, using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss financial assets that are not fair valued.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables; and all lease receivables resulting from transactions within the scope of Ind AS 116. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized under the head 'other expenses' in the statement of profit and loss.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

De-recognition of financial assets

The Company derecognizes a financial asset when -

- i. the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109.
- ii. it retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within one year after the reporting period.

n. Earnings per share

The basic earnings per share is computed by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity share or warrant outstanding for the periods reported, hence diluted earnings per share is same as basic earnings per share of the Company.

o. Segment reporting

Where a financial report contains both consolidated financial statements and separate financial statements of the parent, segment information needs to be presented only in case of consolidated financial statements. Accordingly, segment information has been provided only in the consolidated financial statements.

p. Critical accounting estimates and judgements

Impairment of financial assets

The Company estimates the collectability of Loan receivables and Investments carried at cost by analysing historical payment patterns, credit-worthiness of party and current economic trends. If the financial condition of the party deteriorates, additional allowances may be required.

Defined benefit obligation

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, employee turnover rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Estimation of fair value

The frequency of valuations depends upon the changes in fair values of the items of investment property being valued. Since frequent valuations are unnecessary, with only insignificant changes in fair value, the company obtains independent valuation for its investment properties once in five years, from registered valuers as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair values of investment properties have been determined by A.D. Joshi Chartered Engineers and Valuers LLP. The fair market value is done by valuers is based on physical inspection of properties and using comparable transfer instances of the similar type of properties of nearby locations, and with the prevailing market rates. Appropriate depreciation is considered for buildings.

The company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months and accordingly amounts have been classified as current and non current based on actuarial valuation report.

(ii) Defined benefit plans:

- a Gratuity** - The Company provides for gratuity for employees as per the terms of employment. Employees who are in continuous service at least for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/

The net liability disclosed above relates to unfunded plan. The Company has no legal obligation to settle the deficit in the unfunded plans with an immediate contribution or additional contribution. The Company intends to contribute in line with the recommendations of the fund administrator and the actuary.

- ab Through its defined benefit plans, the Company is exposed to number of risks, the most significant of which are detailed below:

Asset Volatility: The Plan liabilities are calculated using a discount rate set with reference to government bond yields. If plan assets underperform, this yield will create a deficit. The plan asset investments are in funds managed by insurer. These are subject to interest rate risk.

Changes in bond yield: A decrease in government bond yields will increase plan liabilities, although this may be partially offset by an increase in the returns from plan asset.

b Defined benefit liability and employer contributions:

- ba The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within the framework, the Company's ALM objective is to match assets to the gratuity obligations by investing in funds with LIC in the form of a qualifying insurance policy.

The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefit obligations. The Company has not changed the process used to manage its risks from previous periods.

- bb The Company expects to contribute Rs. Nil lakhs to the defined benefit plan during the next annual reporting period.

Particulars	31-Mar-2026	31-Mar-2025
India		
Discount Rate *	6.90%	6.80%
Expected Rate of Return on Plan Assets **	NA	NA
Salary Escalation Rate ***	6.00%	6.00%

* Discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

** The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the Fund during the estimated term of the obligations.

*** The estimates of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors, such as demand and supply in the employment market.

b) Fair Value Hierarchy:-

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements at 31-Mar-2026

Particulars	Note	Level 1	Level 2	Level 3	Total

Equity investments	3 (d)	13,193.93	-	-	13,193.93
Total		13,193.93	-	-	13,193.93
Financial liabilities		-	-	-	-

There have been no transfers between levels during the period

c) Valuation technique used to determine fair value

Level 1: This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchange is valued using the closing price as at the reporting period. The fair value of all mutual funds are arrived at by using closing Net Asset Value published by the respective mutual fund houses.

Level 2: Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable data, the instrument is included in level 3.

d) As per Ind AS 107 "Financial Instrument:Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Cash and cash equivalent
2. Other receivables
3. Other financial liabilities
4. Loans

Note 23:-FINANCIAL RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

Notes to the Financial Statements as on and for the year ended 31st March, 2026

(All amounts in INR Lakhs unless otherwise stated)

a. MANAGEMENT OF CREDIT RISK

Credit risk is the risk that a counterparty will not meet its obligations under a contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its investing activities, including loans, deposits with banks and other financial instruments.

i) Other financial assets:-

The Company maintains exposure in cash and cash equivalents, loans to Associate and investment in Associate and Group Companies. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Other financial assets that are potentially subject to credit risk consists of inter corporate loans. The company assesses the recoverability from these financial assets on regular basis. Factors such as business and financial performance of counterparty, their ability to repay, regulatory changes and overall economic conditions are considered to assess future recoverability. The Company charges interest on such loans is at arms length rate considering counterparty's credit rating. Based on the assessment performed, the company considers all the outstanding balances of such financial assets to be recoverable as on balance sheet date and no provision for impairment is considered necessary.

The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

ii) Financial Guarantee given:

The Company has given a corporate financial guarantee to banks on behalf of Pudumjee Paper Products Limited (the "Group Company") for credit facility of 180 crores (31-Mar-25: 180 crores). The credit facility of the Group Company is short term for 12 months (renewable after expiry with mutual consent and negotiations).

As per Ind AS 109, the Company is required to recognise financial guarantee commission income and financial guarantee liability based on fair value of such financial guarantee. However, the Company has not directly or indirectly received any commission or benefit by whatever name called, for providing such guarantee. Also there is no future right to receive any benefit/ commission. As per the Management's assessment, there would not be any change in rate of interest, commission, other charges charged by the banks to the Group Company on the said credit facility or in any if the terms of the credit facility, with or without the corporate financial guarantee given by the Company. Further the Group Company is neither a subsidiary nor an associate of the Company. Hence based on the Management's assessment, the Company has not recorded any guarantee commission income on the corporate financial guarantee given to the Group Company.

Based on expected credit loss assessment, the Management does not estimate any liability to arise in future on account of the corporate financial guarantee given. Hence no liability recognised in books for such corporate financial guarantee contract.

iii) Reconciliation of ECL allowance provision:

Particulars	Other financial assets
ECL allowance on 31 March 2025	-
Changes in loss allowance	
ECL allowance on 31 March 2026	-

b. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses or risking damage to company's reputation. In doing this, management considers both normal and stressed conditions.

Management monitors the rolling forecast of the company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

Notes to the Financial Statements as on and for the year ended 31st March, 2026

(All amounts in INR Lakhs unless otherwise stated)

c. MANAGEMENT OF MARKET RISK:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price related risks. Financial instruments affected by market risk include loans and borrowings, deposits and investments.

i.) Currency Risk and sensitivity:-

The Company does not have any currency risk as all operations and assets/liabilities are within India.

ii.) Interest Rate Risk and Sensitivity:-

Interest rate risk is the risk that the fair value or future cash flows on a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the company's interest rate position. Various variables are considered by the management in structuring the company's investment to achieve a reasonable, competitive, cost of funding.

Exposure to interest rate risk

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	31-Mar-2026	31-Mar-2025
Financial Assets		
Fixed rate instruments	2,198.71	1,972.29
Variable rate instruments	-	-
Total	2,198.71	1,972.29

Cash flow sensitivity analysis for variable rate instruments:-

The Company does not have any variable rate instrument/loan. Hence there will be no change in profit due to change in interest rates.

iii) Price Risk and Sensitivity:

The company have investment in equities of group companies. The company treats the investment as strategic and thus fair value the investment through OCI. Thus the changes in the market price of the securities are reflected under OCI and hence not having impact on profit and loss. The profit or loss on sale will be considered at the time of final disposal or transfer of the investment. Investments in associate are not fair valued as explained in note 2(m).

Note 24:- Capital Risk Management

(a) Risk management

The Company's policy is to maintain an adequate capital base so as to maintain creditor and market confidence and to sustain future development. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The Company monitors capital

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

TO

The Members of

3P Land Holdings Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of 3P Land Holdings Limited ("the Company"), and its associate company, which comprise the consolidated balance sheet as at March 31, 2026, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its associate company as at March 31, 2026, the consolidated profit and total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1. Investments in associate company – classification, measurement and impairment During the year, the Company has given additional loan of ₹223.00 lakhs to Biodegradable Products India Limited (the "associate company"), and the total loan outstanding to the associate company as on March 31, 2026 is ₹ 2198.71 lakhs. The loan is measured at amortised cost using effective interest rate based on management's estimate. Management has evaluated and concluded that such loan is not long-term interests that, in substance, form part of the Company's net investment in the associate company. The share of loss of the associate company recognised, is restricted to amount of investment in equity instruments only. Based on the valuation report of the valuation specialist engaged by the management, and based on management estimate, no impairment considered necessary for the Loan given to the associate company. Refer note 3(c), 23(a) and 32 of the consolidated financial statements.	Our procedure included, but were not limited to the following: • We considered the business model and terms of the financial instrument considering rights and obligation of the issuer and the holder including terms of cash flow. • We have considered the classification of these instruments being followed by the issuer (i.e. the associate company) • Obtained independent valuation report containing valuation of assets of the associate company. Assessed the professional competence, objectivity and capabilities of the valuation specialist engaged by the management. Assessed reasonableness of the assumptions used and future business plans of the associate company. • We have considered the managements representation regarding obtaining future planned repayment of the loan given. • We evaluated the reasonableness of disclosures provided in the consolidated financial statements.

Other Information

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report but does not include the consolidated financial statements and our auditor's report thereon.

The Annual Report is expected to be made available to us after the date of our auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, the consolidated profit and total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company and its associate company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Management and Board of Directors of the Company and its associate company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associate company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Company and its associate company are responsible for assessing the respective company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its associate company are responsible for overseeing the financial reporting process of the Company and its associate company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate company ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associate company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company and its associate company included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and companies included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flow statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

- (e) On the basis of the written representations received from the directors of the Company and its associate company as on March 31, 2026 taken on record by the Board of Directors of the Company and its associate company, none of the directors of the Company and its associate company is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the Company.
 - ii. The Company did not have any long-term contracts including derivative contracts as at March 31, 2026.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.

iv.

- (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not proposed or paid any dividend in the current year ended March 31, 2026.

ANNEXTURE A TO INDEPENDENT AUDITOR'S REPORT

Referred to in the Independent Auditors' Report of even date to the members of 3P Land Holdings Limited on the consolidated financial statements for the year ended March 31, 2026

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of 3P Land Holdings Limited (hereinafter referred to as "the Company"), and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company and its associate company, which are companies incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the consolidated financial statements for the year ending 31st March, 2026

Note 1: General information about the Company:

The consolidated financial statements comprise financial statements of 3P Land Holdings Limited (the “Company”) and share of profit/loss from associate for the year ended March 31, 2026.

The Company is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India. The registered office of the Company is located at Thergaon, Pune-411033, Maharashtra, India. The Company is primarily engaged in the business of lending of investments in group companies and real estate leasing.

The consolidated financial statements were authorised for issue in accordance with resolution passed by the Board of Directors of the Company on May 16, 2026.

Note 2: Summary of significant accounting policies:

a. Basis of preparation

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act.

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values as per Ind AS 109, at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either, in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

b. Basis of consolidation

The consolidated financial statements comprise financial statements of the Company and share of profit/loss from its associate using equity method of accounting. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of the associate used for the purpose of consolidation is drawn up to same reporting date as that of the Company, i.e., year ended on 31 March.

The Company's investment in its associate is accounted for using the equity method. Under the equity method, the investment in associate is initially recognised at cost, identifying any goodwill/capital reserve arising at the time of acquisition. The carrying amount of the investment is adjusted to recognise changes in the Company's share of net assets of the associate post acquisition date.

The statement of profit and loss reflects the Company's share of the results of operations of the associate. Any change in OCI of associate is presented as part of the Company's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate are eliminated to the extent of the interest in the associate.

If an entity's share of losses of an associate equals or exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Company's net investment in the associate), the Company discontinues

Notes to the consolidated financial statements for the year ending 31st March, 2026

recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Company resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

c. Presentation and Classification

The Company presents its balance sheet in the order of liquidity as per the presentation requirement of division III of schedule III of the Act.

The Company's normal operating cycle has been taken as 12 months.

d. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment i.e. adjusted for discounts, incentive, time value of money and excluding taxes or duties collected on behalf of the government. No element of financing deemed present, as the sales are made with a credit term consistent with market practice. Further the Company charges interest to customers on delayed payment, if any.

Revenue from operating leases

Revenue from lease of real estate, arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends

Income from dividend on investments is accrued in the year in which it is declared, whereby the Company's right to receive is established.

Services

Income from services on supply of services for sales and marketing is accrued on a basis of services provided.

e. Other income

Profit from sale/transfer of assets is recognised only when the transfer is complete, i.e. when the transferee obtains control and legal title for the asset and when there is no uncertainty on the amount and timing of receipt of the sale consideration. The recording of profit from sale/transfer is postponed until then.

f. Trade receivables

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time.

g. Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. All other repair and maintenance costs are recognised in statement of profit or loss as incurred. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

The Company, based on technical assessment made by technical expert and management estimate, depreciates all the assets over estimated useful life which is also the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Notes to the consolidated financial statements for the year ending 31st March, 2026

h. Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company for use in business, neither held for sale is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation (as applicable to building component) and accumulated impairment loss, if any.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

The Company, based on technical assessment made by technical expert and management estimate, depreciates the building over estimated useful life, which is also the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by the management. The Company obtains valuation report at reasonable intervals from external valuers.

i. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly stated in the arrangement.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

j. Taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss of the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rate enacted or substantially enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets/liabilities are recognised for deductible/taxable temporary differences. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable Company and the same taxation authority.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

k. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

l. Provisions and Contingent liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Notes to the consolidated financial statements for the year ending 31st March, 2026

Contingent liabilities are disclosed in the notes, if any. Contingent liabilities are disclosed for

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- ii. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

m. Employee benefits

Short-term obligations

Short-term employee benefit are expensed as the related service is provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within one year after the end of the period in which the employees render the related service are the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months and accordingly amounts have been classified as current and non current based on actuarial valuation report.

Post-employment obligations

The Company operates the following post-employment schemes:

- i. defined benefit plan – gratuity; and
- ii. defined contribution plans such as provident fund.

Defined benefit plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. If the fair value of plan assets exceeds the present value of the defined benefit obligation at the end of the balance sheet date, then excess is recognized as an asset to the extent that it will lead to, for example, a reduction in future contribution to plan asset.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

Retirement benefit in the form of provident fund and superannuation fund are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund and superannuation fund. The Company recognizes contribution payable to the provident fund and superannuation fund as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

Notes to the consolidated financial statements for the year ending 31st March, 2026

n. Financial instruments

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value, except for investment in associates where the Company has availed option to recognise the same at cost in separate financial statements.

The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows. The Company classifies its financial assets in the following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortised cost, and
- iii. those measured at cost, in separate financial statements.

Subsequent measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. All other financial assets are measured at amortised cost, using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss financial assets that are not fair valued.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables; and all lease receivables resulting from transactions within the scope of Ind AS 116. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized under the head 'other expenses' in the statement of profit and loss.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

De-recognition of financial assets

The Company derecognizes a financial asset when -

- i. the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109.
- ii. it retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within one year after the reporting period.

o. Earnings per share

The basic earnings per share is computed by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity share or warrant outstanding for the periods reported, hence diluted earnings per share is same as basic earnings per share of the Company.

p. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Directors of the Company, assesses the financial performance and position of the Company and its share of earning/(loss) from the associate, and makes strategic decisions. The Board of Directors is therefore considered to be the Chief Operating Decision Maker (CODM).

q. Critical accounting estimates and judgements

Impairment of financial assets

The Company estimates the collectability of Loan receivables and Investments carried at cost by analysing historical payment patterns, credit-worthiness of party and current economic trends. If the financial condition of the party deteriorates, additional allowances may be required.

Defined benefit obligation

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, employee turnover rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Estimation of fair value

The frequency of valuations depends upon the changes in fair values of the items of investment property being valued. Since frequent valuations are unnecessary, with only insignificant changes in fair value, the company obtains independent valuation for its investment properties once in five years, from registered valuers as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair values of investment properties have been determined by A.D. Joshi Chartered Engineers and Valuers LLP. The fair market value is done by valuers is based on physical inspection of properties and using comparable transfer instances of the similar type of properties of nearby locations, and with the prevailing market rates. Appropriate depreciation is considered for buildings.

(i) Leave obligations -

The leave obligation covers the Company's liability for accumulated leaves that can be encashed or availed. The company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months and accordingly amounts have been classified as current and non current based on actuarial valuation report.

(ii) Defined benefit plans:

- a Gratuity -** The Company provides for gratuity for employees as per the terms of employment. Employees who are in continuous service at least for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/

March 31, 2026	7.68	-	7.68

The net liability disclosed above relates to unfunded plan. The Company has no legal obligation to settle the deficit in the unfunded plans with an immediate contribution or additional contribution. The Company intends to contribute in line with the recommendations of the fund administrator and the actuary.

ab Through its defined benefit plans, the Company is exposed to number of risks, the most significant of which are detailed below:

Asset Volatility: The Plan liabilities are calculated using a discount rate set with reference to government bond yields. If plan assets underperform, this yield will create a deficit. The plan asset investments are in funds managed by insurer. These are subject to interest rate risk.

Changes in bond yield: A decrease in government bond yields will increase plan liabilities, although this may be partially offset by an increase in the returns from plan asset.

b Defined benefit liability and employer contributions:

ba The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within the framework, the Company's ALM objective is to match assets to the gratuity obligations by investing in funds with LIC in the form of a qualifying insurance policy.

The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefit obligations. The Company has not changed the process used to manage its risks from previous periods.

bb The Company expects to contribute Rs. Nil lakhs to the defined benefit plan during the next annual reporting period.

bh The principal assumptions used for the purpose of actuarial valuation are as follows:

Particulars	31-Mar-2026	31-Mar-2025
India		
Discount Rate *	6.90%	6.80%
Expected Rate of Return on Plan Assets **	NA	NA
Salary Escalation Rate ***	6.00%	6.00%
Rate of Employee Turnover	1.00%	1.00%

* Discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

** The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the Fund during the estimated term of the obligations.

*** The estimates of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors, such as demand and supply in the employment market.

bi Sensitivity analysis - the increase / (decrease) in present value of defined benefit obligation to changes in principal assumptions:

Particulars	31-Mar-2026		31-Mar-2025	
	Amount	%	Amount	%
- 1% increase in discount rate	(0.34)	-4.43%	(0.25)	-5.32%
- 1% decrease in discount rate	0.36	4.69%	0.26	5.53%
- 1% increase in salary escalation rate	0.28	3.65%	0.21	4.47%
- 1% decrease in salary escalation rate	(0.27)	-3.52%	(0.21)	-4.47%
- 1% increase in rate of employee turnover	0.01	0.13%	0.00	0.02%
- 1% decrease in rate of employee turnover	(0.01)	-0.13%	(0.01)	-0.21%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated.

(iii) Defined contribution plans:

The Company also has certain defined contribution plans. Contributions are made to recognised funds for employees at the prescribed rate of basic salary as per regulations. The contributions are made to registered funds administered/ approved by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. In respect of these plans, contributions paid and recognised in the Statement of profit and loss are as follows:

b) Fair Value Hierarchy:-

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements at 31-Mar-2026

Particulars	Note	Level 1	Level 2	Level 3	Total
Financial assets					
Financial Investments at FVOCI					
Equity investments	3 (d)	8,849.77	-	-	8,849.77
Total		8,849.77	-	-	8,849.77
Financial liabilities		-	-	-	-

Financial assets and liabilities measured at fair value - recurring fair value measurements at 31-Mar-2025

Particulars	Note	Level 1	Level 2	Level 3	Total
Financial assets					
Financial Investments at FVOCI					
Equity investments	3 (d)	13,193.93	-	-	13,193.93
Total		13,193.93	-	-	13,193.93
Financial liabilities		-	-	-	-

There have been no transfers between levels during the period.

c) Valuation technique used to determine fair value

Level 1: This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchange is valued using the closing price as at the reporting period. The fair value of all mutual funds are arrived at by using closing Net Asset Value published by the respective mutual fund houses.

Level 2: Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable data, the instrument is included in level 3.

d) As per Ind AS 107 "Financial Instrument: Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Cash and cash equivalent
2. Other receivables
3. Other financial liabilities
4. Loans

Note 23:-FINANCIAL RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

Notes to the consolidated financial statements for the year ending 31st March, 2026

(All amounts in INR Lakhs unless otherwise stated)

a. MANAGEMENT OF CREDIT RISK

Credit risk is the risk that a counterparty will not meet its obligations under a contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its investing activities, including loans, deposits with banks and other financial instruments.

i) Other financial assets:-

The Company maintains exposure in cash and cash equivalents, loans to Associate and investment in Associate and Group Companies. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Other financial assets that are potentially subject to credit risk consists of inter corporate Loans. The company assesses the recoverability from these financial assets on regular basis. Factors such as business and financial performance of counterparty, their ability to repay, regulatory changes and overall economic conditions are considered to assess future recoverability. The Company charges interest on such loans is at arms length rate considering counterparty's credit rating. Based on the assessment performed, the company considers all the outstanding balances of such financial assets to be recoverable as on balance sheet date and no provision for impairment is considered necessary.

The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

ii) Financial Guarantee given:

The Company has given a corporate financial guarantee to banks on behalf of Pudumjee Paper Products Limited (the "Group Company") for credit facility of 180 crores (31-Mar-25: 180 crores). The credit facility of the Group Company is short term for 12 months (renewable after expiry with mutual consent and negotiations). As per Ind AS 109, the Company is required to recognise financial guarantee commission income and financial guarantee liability based on fair value of such financial guarantee. However, the Company has not directly or indirectly received any commission or benefit by whatever name called, for providing such guarantee. Also there is no future right to receive any benefit/ commission. As per the Management's assessment, there would not be any change in rate of interest, commission, other charges charged by the banks to the Group Company on the said credit facility or in any if the terms of the credit facility, with or without the corporate financial guarantee given by the Company. Further the Group Company is neither a subsidiary nor an associate of the Company. Hence based on the Management's assessment, the Company has not recorded any guarantee commission income on the corporate financial guarantee given to the Group Company.

Based on expected credit loss assessment, the Management does not estimate any liability to arise in future on account of the corporate financial guarantee given. Hence no liability recognised in books for such corporate financial guarantee contract.

iii) Reconciliation of ECL allowance provision:

Particulars	Other financial assets
ECL allowance on 31 March 2025	-
Changes in loss allowance	
ECL allowance on 31 March 2026	-

b. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses or risking damage to company's reputation. In doing this, management considers both normal and stressed conditions.

Management monitors the rolling forecast of the company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

Notes to the consolidated financial statements for the year ending 31st March, 2026

(All amounts in INR Lakhs unless otherwise stated)

c. MANAGEMENT OF MARKET RISK:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price related risks. Financial instruments affected by market risk include loans and borrowings, deposits and investments.

i) Currency Risk and sensitivity:-

The Company does not have any currency risk as all operations and assets/liabilities are within India.

ii) Interest Rate Risk and Sensitivity:-

Interest rate risk is the risk that the fair value or future cash flows on a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the company's interest rate position. Various variables are considered by the management in structuring the company's investment to achieve a reasonable, competitive, cost of funding.

Exposure to interest rate risk

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	31-Mar-2026	31-Mar-2025
<u>Financial Assets</u>		
Fixed rate instruments	2,198.71	1,972.29
Variable rate instruments	-	-
Total	2,198.71	1,972.29

Cash flow sensitivity analysis for variable rate instruments:-

The Company does not have any variable rate instrument/loan. Hence there will be no change in profit due to change in interest rates.

iii) Price Risk and Sensitivity:

The company have investment in equities of group companies. The company treats the investment as strategic and thus fair value the investment through OCI. Thus the changes in the market price of the securities are reflected under OCI and hence not having impact on profit and loss. The profit or loss on sale will be considered at the time of final disposal or transfer of the investment. Investment in associate are not fair valued, but accounted using equity method in consolidated financial statements as explained in note 2(b).

Note 24:- Capital Risk Management**(a) Risk management**

The Company's policy is to maintain an adequate capital base so as to maintain creditor and market confidence and to sustain future development. In order to maintain or adjust the capital structure, the Company may adjust the amount

Notes to the consolidated financial statements for the year ending 31st March, 2026

(All amounts in INR Lakhs unless otherwise stated)

of dividends paid to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using gearing ratio, which is net debt divided by total capital plus net debt. Net debt comprises of long term and short term borrowings less cash and bank balances. Equity includes equity share capital and other equity that are managed as capital.

Particulars	31-Mar-2026	31-Mar-2025
Borrowings (current +non-current)	-	-
Less: Cash and Cash equivalents	19.71	17.89
Net Debt	(19.71)	(17.89)
Equity	10,465.70	13,970.47
Net Debt to Equity	0.00%	0.00%

The Company does not have any borrowings, hence Net Debt to Equity Ratio is not applicable to company.

(b) Dividends

* The share of loss recognised using equity method is restricted to amount of investment in equity instrument and in instrument entirely in nature of equity of Biodegradable Products India Limited (BPIL), since as certified by the management, the company does not have any legal or constructive obligation to invest additional amount in the BPIL. Management has evaluated and concluded that loan given to BPIL is not long-term interests that in substance form part of the company's net investment in the BPIL. Accordingly, share of loss of BPIL recognised in the consolidated financial statement for, current year in Rs. Nil (31-March-2025 : Rs. Nil). Also refer note 33.

The unrecognised share of loss (excluding revaluation reserve) of BPIL, for the current year is Rs. 123.11 lakhs (for year ended 31-Mar-2025 is Rs. 100.54 lakhs); and cumulative as on 31-March 2026 is Rs. 1,215.64 lakhs (31-Mar-2025 : Rs. 1,092.53 lakhs).

Note 33:

The Company accounts for its share of profit/loss from the associate - Biodegradable Products India Limited (Biodegradable). However, as explained in note 2(b), recognition of further share of loss is restricted to the amount of equity investment. For the last two year ended 31-Mar-2026 and 31-Mar-2025, the consolidated financial statement of Biodegradable, does not include the financial information of its associate Firm M/s. Prime Mall Developers. Due to reason that such financial information/financial statement of that Firm, are not available till the signing of these financial statements/consolidated financial statement of Biodegradable. It is estimated that such omission will not have any material impact on these consolidated financial statements of the Company.

Note 34: Transaction with Company Struck off

During the year ended March 31, 2026 the Company did not have any transactions with companies struck off under section 248 of the Companies Act 2013 or section 560 of Companies Act 1956. Hence no further disclosure required.

Note 35: Benami Property Details
